

SANCOR FORUM 2018 MEETING

Date:

Wednesday, 10 October 2018

Time:

Starts at 10h00 for 10h30, Ends at lunchtime

Venue:

uShaka Sea World Education Centre in Durban

TOP-DOWN OR BOTTOM-UP: HOW IS THE RESEARCH AGENDA SHAPED IN SOUTH AFRICA?

SANCOR cordially invites all researchers, students and other members of the scientific community in KwaZulu-Natal to its upcoming annual forum on the 10th of October 2018, during National Marine Week. Join us for a panel presentation and topical discussion. Speakers include:

- Prof Sophie von der Heyden (SANCOR Forum and Steering Committee Chair),
- Dr Gilbert Siko (Department of Science and Technology),
- Ms Tracy Klarenbeek (National Research Foundation) and
- Prof Guy Midgley (Stellenbosch University).
